Asansör imalatı sekteründe faaliyette bulunmak üzere 2004 yılında kurulmuş olan **Mesan Asansör** ailesi olarak müşterilerimizin ve tüm iş ortaklarımızın memnuniyet ve güvenlerini ön planda tutmak, ürün-hizmet kalitemizi üst düzeyde ilerletmek ilk hedefimizdir.

Teknojik gelişimi yakından takip ederek global dünya pazarı karşısında yeni çözümler üretmek ve sizler için en doğru yaklaşımları hayata geçirmek amacıyla hareket etmekteyiz.

Asansör üretimi ve satışında Türkiye'de konumumuzu daha da güçlendirerek markamızı tüm dünyada talep edilen ve güvenilen asansör markası haline getirmek için çalışmalarımızı en üst düzeyde ilerletmekteyiz.

Teknolojik verilerin ışığında malzeme kalitesini, makine parkurunu ve yönetim organizasyonunu kalite politikasının bir uzantısı olarak geliştiren MESAN; yeni yatırım perspektifi çerçevesinde 450 m2 imalat alanını 2006 yılında 900 m2'lik alana çıkartmış bulunmaktadır. Şuan da aktif olarak 6000 m2'lik fabrikamız ile üretim alanına sahip olan firmamız sizlere daha iyi ve kaliteli hizmet sunabilmek için çalışmalarına devam etmektedir.

2007 yılı itibariyle aktif olarak ihracat yapmaya başlayan firmamız, tüm bu çalışmalara paralel olarak asansör sarf malzemelerini "Asansör Market" ile hayata geçirerek paket malzeme satışı ile de müşterilerimizin yanında yer almaktadır.

Bu amaçlar çerçevesinde fabrika ve merkezi İstanbul Esenyurt'ta bulunan firmamız alanında uzman teknik kadromuz ile tecrübelerimizi sizlerle paylaşmaktan gurur duyuyoruz.

Prioritising satisfaction and confidence of our customers and all of our business partners and to advance our product-service quality is our primary objective as Mesan Asansor family which has been established in 2004 in order to progress activities in the lift manufacturing sector.

We conduct our activities in order to produce new solutions against the global market by following the technological developments closely and for the objective of utilising the most correct approaches for yourselves.

We advance our work at the highest level in order to make our brand as the demanded and trusted lift brand around the world by further strengthening our positions in Turkey with regards to manufacturing and sale of lifts.

MESAN, which had been enhancing quality of the material, its machine park and management organization under the light of technological data as extension of its quality policy, has increased its production facility area from 450 m2 to 900 m2 in 2006 within the new investment perspective.

Our company, which has actively has a plant area of 6000 m2 at the moment, is continuing with its works in order to be able to provide better service with the quality.

Our company, which has started to export its products in 2007 in active way, is also standing next to its customers with its packaged product sales by utilizing lift consumable parts through "Lift Market" in parallel to all of these activities.

We are always very glad to share our experiences with our specialist technical workforce available both in our plant and in our headquarters in Esenyurt – Istanbul with yourselves through these objectives.
